

# The OPEC Award for the Best Energy Research Paper 2023

## Call for nominations

*The call for nominations for the 2023 OPEC Award for the Best Energy Research Paper has begun. The OPEC Award for the Best Energy Research Paper recognizes past efforts and encourages future endeavours. In this regard, it honours scholars who have made outstanding contributions to enhancing knowledge of the energy industry.*

The presentation of the first OPEC Award for the Best Energy Research Paper will take place in Vienna, Austria, on 5–6 July 2023. Organizations and institutions are invited to nominate qualified candidates to be considered for this Award.

### Objective of the Award

The OPEC Award for the Best Energy Research Paper recognizes past efforts and encourages future endeavours. In this regard, it honours scholars who have made outstanding contributions to enhancing knowledge of the energy industry.

### Eligibility

To be eligible for the OPEC Award for the Best Energy Research Paper, the recipient must fulfill following criteria:

- i. The research article must be of relevance to the energy industry;
- ii. The published research must not have won any other international award;
- iii. The research must be published in a refereed journal, indexed in either Scopus or Web of Science;
- iv. The award is limited to original research studies and articles. Publications such as review papers, conference proceedings, historical articles, book chapters or other case reports are not accepted;
- v. The applicant must provide written consent from each team member to prove his or her approval to participate in the competition;
- vi. The award winners must provide any additional information requested by the organizing committee and shall be willing to attend the event;
- vii. The evaluation committee's decisions are final and no objection in this regard will ever be entertained.

### Nominations

Individuals, institutions and/or organizations can nominate the best energy research by filling out the nomination form. This can also be downloaded from the OPEC website [www.opec.org](http://www.opec.org). Completed nomination forms, accompanied by a 500-word biography of the author(s) and the full research paper, should be sent either by e-mail to [opecawards23@opec.org](mailto:opecawards23@opec.org) or by post to:

The Chairman  
The OPEC Award for Research  
Organization of the Petroleum Exporting Countries  
Helferstorferstrasse 17  
A-1010 Vienna  
Austria

The deadline for nominations is 15 December 2022.

### Winner

The recipient of the OPEC Award for the Best Energy Research Paper will be chosen by a panel of professionals in the industry from within and outside OPEC Member Countries and the OPEC Secretariat.

### Presentation of the Award

The OPEC Award for the Best Energy Research Paper 2023 will be presented at the 8th OPEC International Seminar in Vienna, Austria, on 5–6 July 2023.
