

# OPEC Energy Review (OER)

## Special Edition – OPEC 60<sup>th</sup> Anniversary

### Introduction

The year 2020 marks the 60th anniversary of the founding of OPEC in Baghdad in September 1960. This milestone highlights the Organization's extraordinary achievements and embodies its will, determination and lasting success towards a sustainable future. To commemorate this momentous occasion, the OPEC Secretariat will publish a Special Edition of its OPEC Energy Review. Interested authors are cordially invited to submit their original, unpublished work focusing on the Organization's key achievements and goals. The relevant topics include, but are not limited to:

- OPEC's contribution to:
  - The development of the global economy;
  - Energy access and energy poverty alleviation;
  - Sustainable development;
  - COVID-19 ramifications and the post COVID-19 pandemic world.

### Manuscript submission Information

Authors should submit their manuscripts by registering and logging into the website <https://mc.manuscriptcentral.com/opec>. The deadline for submission is 31 October 2020, as stated in the timeline below. A peer-review process will follow. Submitted manuscripts should not have been published previously, nor be under consideration for publication elsewhere.
